

Don't Want You Back

Robyn

I know, know what can I expect, you're just a man, just a man
But even, but even a man should understand his woman, so I don't want you back, I don't want
you back here with me
I don't wanna get back, no no, get back to what we used to be
I just wanna be free, free to be what I wanna be
I just wanna be me, I just wanna be me and only me This girl, I say this girl had so many things
she couldn't say to you
Couldn't tell you
This girl had so many things she had to hide from you
Couldn't show you, so I don't want you back, I don't want you back here with me
I don't wanna get back, get back, get back to what we used to be
I just wanna be free, free to be what I wanna be
I just wanna be me, I just wanna be me and only me
So it's time to show, it's time to let you know
This is for real and yeah and this is what I feel I don't want you back, I don't want you back here
with me
I don't wanna get back, get back, get back to what we used to be
I just wanna be free, free to be what I wanna be
I just wanna be me, I just wanna be me and only me I don't wanna see your face again
And I don't need to hear your lies
I don't even wanna hear your name
Oh boy, you better recognize I don't want you back, I don't want you back here with me
I don't wanna get back, no no get back to what we used to be
I just wanna be free, free to be what I wanna be
I just wanna be me, I just wanna be me and only me, yeah yeah yeah Leave me alone and stop
calling my home
Just get out of my life
I don't want you back, I don't want you back here with me
I don't wanna get back, I don't wanna get back to what we used to be
Before I want to be free, free to be what I wanna be
I just wanna be me, I just wanna be me, myself and my Just goodbye, baby bye-bye, yeah
I don't wanna get back, I don't wanna get back
Don't wanna get back to you baby
I wanna be free, so goodbye, baby bye-bye, yeah
