Dusk Till Dawn

Ladyhawke

When you hide next to me with your eyes up close to me
I hear footsteps in the dark when you hijack my heart
Cool breeze down the hall, I can feel you breathe outside my door
Bang, bang, bang on the wall from dusk 'til dawnDo, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawnWhen you sense you're not alone
And the darkness starts to moan who's there?
Shadows all around but you don't make a sound
Voices in my head playing like an echo, echo
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawnDo, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, doDo, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
Do, do, do, do, do, do, do, do
Bang, bang, bang on the wall from dusk 'til dawn
