## YoungBoy Never Broke Again

My bro, my bro  
That nigga my homie  
Count money fuck hoes

We laugh we joke, cus all the opps funny  
Put that on God man these niggas don't want no smoke !  
No Smoke No Smoke, you niggas don't want it  
I can't go won't go, won't leave my momma lonely  
No Smoke No Smoke but we die bout that money  
No Smoke No Smoke you niggas don't want it  
I heard these niggas want smoke (want smoke)  
Rhey better pull up with 100  
Yea we want all the smoke , I walk around with it on me  
Draco protect me you ain't taking nothing

We laugh we joke, cus all the opps funny  
Put that on God man these niggas don't want no smoke !  
No Smoke No Smoke, you niggas don't want it

Gone get it too if you get in it  
Forever posted in the trenches
