Unstoppable

Koryn Hawthorne

They told you that you couldn't do it 'cause you're washed up
Ain't like them bad girls, said you should get your sauce up
But I got this plan and you might not understandI'm gon' go hard as I can
And I'm gon' be the boss of it

Just watch me do this, put no limits, only swag on it
Walk right up to the front where I belong then brag on it
Go to the top, I'ma give it all I got

Might take a lot but we ain't gon' ever stopNow, I do believe I'm something special

Can't take that from me

So you can say what you want

I go harder, stronger

Be who I'm supposed to be

'Cause I'm unstoppable, I get all the way in it

That's the way I was made and I'm up on my bidness

'Cause I'm unstoppable, ain't no hoping and wishing Say a prayer, catch a wave then I go out and get it

'Cause I can be what I want, try it if I want

How about a king and he won't let me fall

'Cause I'm unstoppable

Nah, nah, he won't let me fall

'Cause I'm unstoppable I dream about it, I go get it, that's how I do it

Not in the stars, I'm not lucky, I just pray through it

Fall on my face and I might make mistakes

But I don't let it break me

'Cause I'm still on my way

I do believe I'm something special

Can't take that from me

So you can say what you want

I go harder, stronger

Be who I'm supposed to be'Cause I'm unstoppable, I get all the way in it

That's the way I was made and I'm up on my bidness

'Cause I'm unstoppable, ain't no hoping and wishing

Say a prayer, catch a wave then I go out and get it

'Cause I can be what I want, try it if I want

How about a king and he won't let me fall

'Cause I'm unstoppable

Nah, nah, he won't let me fall

'Cause I'm unstoppableCome what may, I rest in his safety

Winds may blow, waves won't over take me

Tears in my eyes but I'm still gon' survive

'Cause he's incredible, he's powerful

And I will rise from the bottom 'cause he said so'Cause I'm unstoppable, I get all the way in it

That's the way I was made and I'm up on my bidness 'Cause I'm unstoppable, ain't no hoping and wishing Say a prayer, catch a wave then I go out and get it 'Cause I can be what I want, try it if I want How about a king and he won't let me fall 'Cause I'm unstoppable

Nah, nah, he won't let me fall 'Cause I'm unstoppable
