## Smokepurpp & Murda Beatz

M-M-M-MurdaFuckin' that bitch and you cuffin' that hoe everyday (ooh)

I get a bag and I'm fuckin' it up every day

She wanna cuff me but I think I'm stuck in my ways

(Stuck in my ways)

So I just pour up the lean 'cause it's numbin' the pain

(Numbin' the pain)

Aye, like an astronaut

I'm out of this world like an astronaut

Niggas out here and they stealin' the sauce everyday

(Everyday)

So I just run up the guap and I count up the cake

I can't fuck with y'all aye

Niggas actin' phony since I got some guap

(Got some guap, hey)

And I be grindin', a young nigga gotta get paid

All of my niggas gonna shoot like a pistol it rang

I'm on game mode

Aye, girl know how to spread it like it's mayo

Aye, I got shooters put they ass on payroll (payroll)

Aye, Lil Purpp yeah, I might fuck his main ho (main ho)

I'm on game mode (game mode, ayy)

Aye, grab hundreds, spread it like it's mayo

Aye, grab hundreds, spread it like it's mayo

Grab hundreds, spread it like it's mayo

I'm on game mode (game mode)Ooh, hey

Twenty-five bands on the dental

And it's my car, fuck a rental (skrrt skrrt)

Two hoes, I'm in the middle (ayy)

Play with that bitch like a fiddle (play with that)

She wanna salt me like brittle (like brittle)

And I wanna play with her nipples (Lil Purpp)

Aye, and you spent a bag on that ho (ho)

I hit it from the back then I go (go)

She learnin' some shit from that pole

Hey, she suckin' me out of my soul (Lil Purpp)

Look at these diamonds and gold

Niggas jealous and they get exposed

I'm on game mode

Aye, girl know how to spread it like it's mayo

Aye, I got shooters put they ass on payroll (payroll)

Aye, Lil Purpp yeah, I might fuck his main ho (main ho)

I'm on game mode (game mode, ayy)

Aye, grab hundreds, spread it like it's mayo  
Aye, grab hundreds, spread it like it's mayo  
Grab hundreds, spread it like it's mayo  
I'm on game mode (game mode)
