

# Looking for Love

Johnny Lee

I spent a lifetime lookin' for you  
Single bars and good time lovers were never true  
Playing a fools game, hopin' to win  
And tellin' those sweet lies and losin' again. Chorus  
I was lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' their eyes, lookin' for traces  
Of what I'm dreamin' of  
Hoping to find a friend and a lover  
I'll bless the day I discover,  
Another heart- lookin' for love. And I was alone then, no love in sight  
I did every thing I could to get me through the night  
I don't know where it started or where it might end  
I'd turn to a stranger just like a friend.

Chorus

'Cause I was looking for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' their eyes, lookin' for traces  
Of what I'm dreamin' of  
Hoping to find a friend and a lover  
I'll bless the day I discover,  
Another heart- lookin' for love.  
And you came a knockin' at my hearts door  
You're everything I've been lookin' for  
There's no more lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' their eyes, lookin' for traces  
Of what I'm dreamin' of  
Now that I found a friend and a lover  
God blessed the day I discovered you-oh you  
Looking for love  
(Lookin' for love) In all the wrong places  
(Lookin' for love) In too many faces  
Searchin' their eyes, lookin' for traces  
Of what I'm dreamin' of  
Now that I found a friend and a lover  
God blessed the day I discovered you-oh you  
Looking for love  
(Lookin' for love) In all the wrong places  
(Lookin' for love) In too many faces  
Searchin' their eyes, lookin' for traces  
Of what I'm dreamin' of

Now that I found a friend and a lover  
God blessed the day I discovered you-oh you  
Looking for love
