

# Dogs Can Grow Beards All Over

## The Devil Wears Prada

Welcome to the war  
Welcome to the war  
A martyr's challengeChainsaw brutality, tornado strength  
Chainsaw brutality, tornado strength  
Chainsaw brutality, tornado strength  
Chainsaw brutality, tornado strengthKing of the diamond, king of the grave  
King of the diamond, king of the grave  
King of the diamond, king of the grave  
Law, lawlessness stains black on whitewashed tombs  
We're too strong to compromise  
Don't be ashamed of your faithDear Lord  
Deliver me  
From hypocrisy and surcease  
The scarlet desire  
The scarlet desireHe wears a slick jacket and gold watch (and gold watch)  
Her dishonesty has scarred hands (has scarred hands, has scarred hands)  
He wears a slick jacket and (ah! leather jacket)
