

Into You

Ariana Grande

I'm so into you,
I can barely breathe
And all I wanna do
is to fall in deep
But close ain't close enough
'til we cross the line, baby
So name a game to play,
and I'll role the dice, heyOh baby, look what you started
The temperature's rising in here
Is this gonna happen?
Been waiting and waiting for you
to make a move
(Woo, oh, oh, oh)
Before I make a move
(Woo, oh, oh, oh)
So baby, come light me up
and maybe I'll let you on it
A little bit dangerous,
but baby, that's how I want it
A little less conversation, and
a little more touch my body
Cause I'm so into you,
into you,
into you
Got everyone watchin' us,
so baby, let's keep it secret
A little bit scandalous,
but baby, don't let them see it
A little less conversation and
a little more touch my body
Cause I'm so into you,
into you,
into you,
oh yeah
This could take some time, hey
I made too many mistakes
Better get this right, right, babyOh baby, look what you started
The temperature's rising in here
Is this gonna happen?
Been waiting and waiting for you to make a move
(Woo, oh, oh, oh)
Before I make a move

(Woo, oh, oh, oh) So baby, come light me up
and maybe I'll let you on it
A little bit dangerous,
but baby, that's how I want it
A little less conversation, and
a little more touch my body
Cause I'm so into you,
into you,
into you
Got everyone watchin' us,
so baby, let's keep it secret
A little bit scandalous,
but baby, don't let them see it
A little less conversation and
a little more touch my body
Cause I'm so into you,
into you,
into you
Tell me what you came here for
Cause I can't, I can't wait no more
I'm on the edge with no control
And I need, I need you to know
You to know, oh So baby, come light me up
and maybe I'll let you on it
A little bit dangerous,
but baby, that's how I want it
A little less conversation, and
a little more touch my body
Cause I'm so into you,
into you,
into you
Got everyone watchin' us,
so baby, let's keep it secret
A little bit scandalous,
but baby, don't let them see it
A little less conversation and
a little more touch my body
Cause I'm so into you,
into you,
into you
So come light me up,
so come light me up my baby
A little dangerous,
a little dangerous my baby
A little less conversation and
a little more touch my body
Cause I'm so into you,
into you,
into you
