

These Words

Natasha Bedingfield

These words are my own
Threw some chords together
The combination D-E-F
It's who I am, it's what I do
And I was gonna lay it down for you
Try to focus my attention
But I feel so A-D-D
I need some help, some inspiration
(But it's not coming easily) Woah oh!
Trying to find the magic (Woah oh)
Trying to write a classic (Woah oh) Don't you know, don't you know, don't you know? (Woah oh)
Waste-bin full of paper
Clever rhymes, see you later
These words are my own
From my heart flow I love you, I love you, I love you, I love you
There's no other way
To better say I love you, I love you...
Read some Byron, Shelley and Keats
Recited it over a Hip-Hop beat
I'm having trouble saying what I mean With dead poets and drum machines
You know I had some studio time booked
But I couldn't find a killer book Now you've gone & raised the bar right up
Nothing I write is ever good enough
These words are my own
From my heart flow
I love you, I love you, I love you, I love you
There's no other way To better say
I love you, I love you!
These words are my own From mi heart flow
I love you, I love you, I love you, I love you
There's no other way
To better say
I love you, I love you!
I'm getting off my stage
The curtains pull away
No hyperbole to hide behind
My naked soul exposes
Whoah. oh. oh. oh. Whoah. oh.
Trying to find the magic
Trying to write a classic
Waste-bin full of paper
Clever rhymes, see you later
These words are my own

From my heart flow (Don't you know)
I love you, I love you, I love you, I love you
There's no other way
To better say
I love you, I love you!
These words are my own
From my heart flow (From my heart)
I love you, I love you, I love you, I love you
There's no other way
To better say
I love you, I love you!
These words are my own
From my heart
I love you, I love you
That's all I got to say
Can't think of a better way
And that's all I've got to say
I love you, is that okay?
