

# California Rain

Betty Who

We won't build a home  
You won't buy flowers every Monday  
Or call on my birthday  
I'm not the first  
and I won't be the last to love you.  
And I do.  
I love it when you're with me  
that's when I feel the same  
You come around  
You let me down  
Like California Rain  
How many times would midnight come and go  
without so much as a single touch  
How many times will I find  
solace in the worst of you  
'cause I do  
I love it when you're lonely  
that's when we feel the same  
I come around  
I let you down  
Like California Rain  
I love it when you're lonely  
cause that's when we feel the same  
You come around  
You let me down  
Like California Rain
