

# How We Do (Party)

Rita Ora

And party and bullshit  
And party and bullshit  
And party and bullshit  
And party, and party...I stumble up to the window  
Open the curtains to blinding light  
Make up all over the pillow  
What went on? What went on?  
What went on last night? You look so sweet while you're dreaming  
Holding your bottle of tanqueray  
It isn't even the weekend  
Maybe that's how I know you're the one for me  
I wanna party and bullshit  
And party and bullshit (with you)  
And party and bullshit  
And party and bullshit  
And party, and party 'Cause when the sun sets baby  
On the avenue  
I get that drunk sex feeling  
Yeah, when I'm with you  
So put your arms around me baby  
We're tearing up the town  
'Cause that's just how we do We got that sweetheart loving  
Dancing in the dark  
Out in the streets we're running  
Shut down every bar  
So put your arms around me baby  
We're tearing up the town  
'Cause that's just how we do  
How we do-oooo  
That's just how we do  
How we do-oooo  
That's just how we do Hungover, I think I'm broken  
You said a fix is a shot of jack  
I said man what are you smoking?  
But alright, pour a glass and we'll throw 'em back I wanna party and bullshit  
And party and bullshit  
And party and bullshit  
And party and bullshit  
And party, and party 'Cause when the sun sets baby  
On the avenue  
I get that drunk sex feeling  
Yeah, when I'm with you

So put your arms around me baby  
We're tearing up the town  
'Cause that's just how we do We got that sweetheart loving  
Dancing in the dark  
Out in the streets we're running  
Shut down every bar  
So put your arms around me baby  
We're tearing up the town  
'Cause that's just how we do How we do-oooo  
That's just how we do  
How we do-oooo  
That's just how we do How we do-oooo (and party and bullshit)  
That's just how we do (and party and bullshit)  
How we do-oooo (and party and bullshit)  
That's just how we do (and party and party) And party and bullshit  
And party and bullshit  
And party and bullshit  
And party, and party I wanna party and bullshit  
And party and bullshit  
And party and bullshit  
And party and bullshit  
And party, and party. 'Cause when the sun sets baby  
On the avenue  
I get that drunk sex feeling  
Yeah, when I'm with you  
So put your arms around me baby  
We're tearing up the town  
'Cause that's just how we do We got that sweetheart loving  
Dancing in the dark  
Out in the streets we're running  
Shut down every bar  
So put your arms around me baby  
We're tearing up the town  
'Cause that's just how we do  
How we do-oooo (and party and bullshit)  
That's just how we do (and party and bullshit)  
How we do-oooo (and party and bullshit)  
That's just how we do (and party and party)  
How we do-oooo (and party and bullshit)  
That's just how we do (and party and bullshit)  
How we do-oooo (and party and bullshit)  
That's just how we do (and party and party)  
And party and bullshit  
And party and bullshit
