

Safe With Me

[Sam Smith](#)

My heart will beat, My heart will beat, My heart will beat If you ever need me just tell me

And I'll be there

'cause I was build for you

Yes I was build to carry all your feelings

'cause I won't let them know

I won't let you go, baby

I don't care what your past is,

I don't need no answers

Just have faith in me

Don't you know you're a secret's safe with me?

My heart will beat, my heart will beat

All your worries can be put to can be put to sleep

My heart will beat

Don't you know you're a secret's safe with me?

My heart will beat, My heart will beat

All your worries can be put to can be put to sleep

My heart will beat No need to step back,

Don't be scared

I got you you know that

I'm here, when you are sad

When all your clouds turn back

'cause I won't let them know

I won't let you go, baby I don't care what your past is,

I don't need no answers

Just have faith in me

Don't you know you're a secret's safe with me?

My heart will beat, My heart will beat

All your worries can be put to can be put to sleep

My heart will beat

Don't you know you're a secret's safe with me?

My heart will beat, My heart will beat

All your worries can be put to can be put to sleep

My heart will beat
