

# Not Poppin (feat. Fetty Wap)

## Monty

For a small fee, y'all could put the drop in  
Don't be mad at me 'cause you not poppin'  
I do what I please, you ain't got a option  
I see couple G's every time I clock in  
For a small fee, y'all could put the drop in  
Don't be mad at me 'cause you not poppin'  
I do what I please, you ain't got a option  
I see couple G's every time I clock in  
You see Monty Zoo, that nigga on some fly shit  
I hear niggas talking but they ain't got shit  
How you hit the mall up and you ain't cop shit?  
Got my city on lock, you gon' need a locksmith  
Bitch I'm seventeen and you niggas not it  
I keep a Glock clip and I like to pop shit  
Niggas hating on me 'cause a nigga got rich  
One phone call, I'll hold a nigga hostage  
I got where I'm at 'cause I put the time in  
Seventeen shots turn you to a omelette  
Shorty shake it for me every time she log in  
I kill a parking lot every time I drive in  
Remy Boy, Zoo Gang, I'm a zoo god  
Just to get my Benz you gon' need a few jobs  
Zoovie Zoo and Monty Zoo, I say that two times  
Zoovie Zoo and Monty Zoo, I say that two times  
For a small fee, y'all could put the drop in  
Don't be mad at me 'cause you not poppin'  
I do what I please, you ain't got a option  
I see couple G's every time I clock in  
For a small fee, y'all could put the drop in  
Don't be mad at me 'cause you not poppin'  
I do what I please, you ain't got a option  
I see couple G's every time I clock in  
Monty Zoo, I told these niggas that you next up  
Ay, anybody want war better vest up  
Ay, I'm a zoo god, I just run the checks up  
A hundred thou on me, all times, put your bets up  
Bitch you must be trippin' or indifferent, bitch  
I'm Zoovie Zoo  
Zoo Gang niggas winnin', codependence in the latest coupes  
Used to have to listen, I'm the boss so now I make the rules  
Swear that boy consistent, done your mission, penetrate the zoo  
I got hella bitches, dumb and fisher, I don't have to choose  
Tryna come for my brother, kill his brother and his sister too  
Hold his mom for hostage till he pop up, then I let off too  
Monty Zoo, I told you that I got us, bitch we run the zoo, gang  
Squad!  
The fuck these niggas talking 'bout, man?  
Monty Zoo up next, nigga  
And I got a check for any nigga that think he ain't, bruh  
Run your bands up, nigga  
For a small fee, y'all could put the drop in  
Don't be mad at me 'cause you not poppin'  
I do what I please, you ain't got a option  
I see couple G's every time I clock in
