

# Prayed For You

[Matt Stell](#)

I've never been one to ask for help  
If I need a mountain moved, I'll move it myself  
I ain't the church pew regular, twice on Sunday  
Quote you the scripture kind  
I'm far from a preacher, but I'm a believer  
'Cause every single day before, I knew your name  
I couldn't see your face, but I prayed for you  
Every heartbreak trail when all hope failed  
On the highway to hell, I prayed for you  
I kept my faith like that old King James said I'm supposed to  
It's hard to imagine, bigger than I could fathom  
I didn't know you from Adam, but I prayed for you  
For someone to love me like you do  
Graceful eyes that see me through  
A smile that steals me  
A heart that heals me, a touch that kills me too  
And baby, you're perfect  
I guess the good Lord heard it  
'Cause every single day before I knew your name  
I couldn't see your face, but I prayed for you  
Every heartbreak trail when all hope fails  
On the highway to hell, I prayed for you  
I kept my faith like that old King James said I'm supposed to  
It's hard to imagine, bigger than I could fathom  
I didn't know you from Adam, but I prayed for you  
Every single day before I knew your name  
I couldn't see your, face but I prayed for you  
Every tail light fade in the goodbye rain  
Girl, even today, I pray for you  
I kept my faith like that old King James said I'm supposed to  
It's hard to imagine, bigger than I could fathom  
I didn't know you from Adam, but I prayed for you  
I prayed for you
