

# Pop a Pill

## Korn

Well look at this

I see clearly now

Look at this

I can feel it now

Happyness

Is seldom found

Pop A Pill

I'm so damn happy now. Feeling things crawl on me

I need my fix today

This is way beyond me

I can't live without you today.

Well look at this

I see colors now

Look at this

It got ugly now

Happyness

Is seldom found

Pop my pill

I'm so damn happy now. Feeling things crawl on me

I need my fix today

This is way beyond me

I can't live without you today. You today. You today.

I don't care about anything around me

Even all the love that surrounds me

Beat me

Eat me

I don't care about anything

I do this to shut out the voice

Within'

Within'

Within'. I don't care about anything. Feeling things crawl on me

I need my fix today

This is way beyond me

I can't live without you today.

You today. You today. You today. Feeling things crawl on me

I need my fix today

This is way beyond me

I can't live without you today.
