

I'm Tryna Fuck

Ugly God

Aye, 3 a.m. bitch I'm motherfucking tired
If we on the same page, I might motherfucking slide
Don't give me the wrong message girl, I'm trying see what's up
I don't mean to burst your bubble bitch, but yes I'm tryna fuck
Baby girl, I'm tryna fuck
I'm tryna fuck
I'm tryna tap that ass and bust a nut
Don't give me the wrong message girl, I'm trying to see what's up
I don't mean to burst your bubble bitch, but yes I'm trying to fuck
Baby girl, I'm tryna fuckBaby stop teasing
Baby girl, I know you hit my phone for a reason
If you don't get loose or start freaking then I'm leaving
Girl you know I'm fiending, eat this meat you ain't no vegan
I ain't never begged a bitch for shit but, bitch, I might need it
I'm tryna fornicate, fuck the shit that you believe in
Bitch you better twerk or I'm snitching that you're cheatingBitch I wanna see a show, throw that
neck and show some cleavage
3 a.m. bitch, I'm motherfucking tired
If we on the same page I might motherfucking slide
Don't give me the wrong message girl, I'm trying to see what's up
I don't mean to burst your bubble bitch, but yes I'm tryna fuck
Baby girl, I'm tryna fuck
I'm trying to fuck
I'm trying to tap that ass and bust a nut
Don't give me the wrong message girl, I'm trying to see what's up
I don't mean to burst your bubble bitch, but yes I'm trying to fuck
Baby girl I'm trying to fuck
