

Turn My Swag On (Remix)

Alexa Goddard

Still making to tell me, hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Hey, I'm getting money, I hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Yeah, I'm getting money, ohThey told me round my hood
What they say?
Every time they see me I look good,
Yeah I'm getting money
If you be hating just be mad at yourself
I bet you think this song is about you
Don't you, but I did it without you
Said this is for them kids Scooby handling their business
Got m ups to them haters cause we're too busy winning
You can't tell us nothing, you can't tell me nothing
If you ain't getting money then you ain't got nothing on me
Cause I'll be getting paper like you wouldn't believe
And always getting haters like you wouldn't believe
So whassup? Boy stop... know nothing you can ..., you can buy you a chain but you can't buy
the smith
I'ma rock it like I talk it so you'll never forget
And if you get your swag on let me hear you say
You wake up in the morning and you turn your swag on
Let me hear you say, oh, let me hear you say
I hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Hey, I'm getting money, I hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Yeah, I'm getting money, ohI hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Hey, I'm getting money, I hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Yeah, I'm getting money, ohI hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Hey, I'm getting money, I hopped up out the bed, turn my swag on
Tell the look in the mirror, say wassup, wassup?
Yeah, I'm getting money, oh
I turn my swag on, I turn my swag on,
I turn my swag on, I'm getting money
I turn my swag on, I turn my swag on,
I turn my swag on, I'm getting money
