

# Gunshy

Liz Phair

Rifle in hand and two in the bush  
Three count delay, I may need a little push  
Take out the garbage on Tuesday nights  
Seems like the small things  
Are the only things I'll fight  
Seems like the small things  
Are the only things I'll fight Gunshy, Gunshy, Gunshy, Gunshy Sea monkeys, do monkey's  
Story of my life  
Send three bucks to a comic book  
Get a house, car and wife  
Send three bucks to a comic book  
Get a house, car and wife  
(wife) Gunshy (x 14)
