

# I Run

## Slim Thug

[Yelawolf:]  
I run the streets all night & day.[Slim Thug:]  
The hood love thug.[Yelawolf:]  
Cause I still run the streets all night & day.[Slim Thug:]  
If your tryin' to find me.  
I rep for my city, go hard for the hood still busted on that block, what's good?[Yelawolf:]  
And I run, the streets all night & day  
I can't stay away.  
[Slim Thug:]  
They don't make too many niggas like me  
Bonifide hustlers certified G  
Still got that work if you got the right fiend.  
You thinkin' shit fake? Well nigga come see  
It's bigger than the jewels it's bigger than the cars  
It's bigger than the fact that we fuckin' rap stars  
The street niggas know me, these boys got my contacts  
Knowin' any givin' minute I can come back  
I put a bitch on I-10 & tell her run that  
Give her 10 & tell her don't bring nuttin' back  
I'm still in the hood, I can't leave the streets  
It's in my blood I'm a thug till I be deceased.[Yelawolf:]  
I run the streets all night & day.[Slim Thug:]  
The hood love thug.  
[Yelawolf:]  
Cause I still run the streets all night & day.[Slim Thug:]  
If your tryin' to find me.  
I rep for my city, go hard for the hood still busted on that block, what's good?[Yelawolf:]  
And I run, the streets all night & day  
I can't stay away.[Slim Thug:]  
It's hot on my block somebody turn the fan on  
I've been paid I'm just tryin' to turn my mans on  
And get my breads strong, streets miss me when I'm gone  
I put on for my city like Jeezy's song  
Please believe me homes matter of fact check my stats  
Ain't dropped in 3 years but I'm back.  
Where the money at? That's the first question  
You better pack a strap that's the first lesson  
Hard times got the whole united states stressin'  
I'm writin' a book, how to survive in a recession  
Mr. Ogbonna, we so tired of sellin' crap  
If you lookin' for me ask the streets where I'm at.[Yelawolf:]  
I run the streets all night & day.[Slim Thug:]

The hood love thug.[Yelawolf:]  
Cause I still run the streets all night & day.[Slim Thug:]  
If your tryin' to find me.  
I rep for my city, go hard for the hood still busted on that block, what's good?[Yelawolf:]  
And I run, the streets all night & day  
I can't stay away.[Slim Thug:]  
It's home sweet home where the D boys roam  
Movin' stone for stone or zone for zone  
All night gettin' it on till 6: 00 in the morn.  
The shit I'm smokin' on, stronger then cologne  
You can probably mell the moke to your headphones  
If you still broke better get your bread long  
Call me on that burner cause them fed's on my phone  
And I'm a run the streets til I'm under my headstone.  
Jea jea.[Yelawolf:]  
I run the streets all night & day.[Slim Thug:]  
The hood love thug.[Yelawolf:]  
Cause I still run the streets all night & day.[Slim Thug:]  
If your tryin' to find me.  
I rep for my city, go hard for the hood still busted on that block, what's good?[Yelawolf:]  
And I run, the streets all night & day  
I can't stay away.
