

The Shadow of Your Smile (feat. Paul Jackson Jr)

Jeffrey Osborne

One day we walked, along the sand
One day in early spring,
You held the piper in your hand
To mend its broken wind
Now I remember many of days
And many a lonely mile
The echo of a piper song
She shadow of her smileThe shadow of your smile
When you are gone
Will color all my dreams
Enlight the dawn
Look into my eyes, my love and see
All the love and things, you're all to me
Our wishful little star
Was far too high
A teardrop kiss your lips,
Now when I remember spring
All the joy, that love can bring
I will be remembering
The shadow of your smile
Our wishful little star
Was far too high
A teardrop kiss your lips,
Now when I remember spring
All the joy, that love can bring
I will be remembering
The shadow of your smile.
