

# **Downtown (SMD Remix)**

[Peaches](#)

'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 Go down, go down, go down, go downtown  
 Go down, go down, go down, go down  
 Your face never saw the sites, the bright lights  
 The walls that always invite  
 Get it right, no fight  
 You'll be there up all night  
 I'll give you a bus ride, a park slide  
 A high rise full of surprises  
 A smooth path, follow track  
 All the way to my flat  
 Come with me, come with me  
 Come with me, come with me there  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Went to your area and I thought I would bury ya  
 Touched a monolith and it caused a hysteria  
 You keep on pinin' for me to go dinin'  
 I had me a meal and that keep me belly from whinin'  
 Come with me, come with me  
 Come with me, come with me there  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Go down, go down, go down, go downtown  
 Go down, go down, go down, go downtown  
 Go down, go down, go down, go downtown  
 Go down, go down, go down, go downtown  
 Caves for bravin', go down  
 Flags for wavin', go down  
 Clubs for ravin', go down  
 Roads for pavin', downtown  
 Rivers for sailin', go down  
 Stores unweilin', go down  
 Walls for scalin', go down  
 Temples for wailin'  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown  
 Show you my thing, show you my thing  
 'Cause I wanna take you downtown
