

Crazy Love

Buddy Guy

Well, if you love me baby this is what you've got to do
You got to let the world know that you love me too
If I'm crazy, you'll be crazy too
We gonna have a crazy time just playing crazy music for you We gonna have a crazy time, we
gonna jump for joy
You be my crazy girl and I'll be your crazy boy
If I'm crazy, you'll be crazy too
We gonna have a crazy time just playing crazy music for you
Crazy, crazy, crazy
Crazy, crazy, crazy
We gonna have a crazy time just playing crazy music for you
I'll play a crazy bucks and I'll get a crazy sound
I'm gonna play it standing up and I'll play it laying down
If I'm crazy, you'll be crazy too
We gonna have a crazy time just playing crazy music for you
