## Can't Fight the Moonlight

## **LeAnn Rimes**

Cannot know, cannot know Cannot know, cannot know

Cannot know, cannot know

Cannot know

Under a lover's sky

Gonna be with youAnd no one's gonna be around

You think that you won't fall

Well, just wait until

Til the sun goes down

Underneath the starlight, starlight

There's a magical feeling so right

It'll steal your heart tonight

You can try to resist

Try to hide from my kiss

But you know but you know

That you can't fight the moonlight

Deep in the dark

You'll surrender your heartBut you know but you know

That you can't fight the moonlight

No, you can't fight it

It's gonna get to your heart

There's no escape from love

Once a gentle breeze

Weaves it's spell upon your heart

No matter what you think

It won't be too long

Til you're in my arms

Underneath the starlight, starlight

We'll be lost in the rhythm so right

Feel it steal your heart tonight

You can try to resist

Try to hide from my kiss

But you know but you know

That you can't fight the moonlight

Deep in the dark

You'll surrender your heart

But you know but you know That you can't fight the moonlight

No, you can't fight itNo matter what you do

The night is gonna get to you

Cannot know, cannot know Cannot know, cannot know

Cannot know, cannot know

Don't try, girl, you're never gonna win, oh

Underneath the starlight, starlight
There's a magical feeling so right
It will steal your heart tonight

You can try to resist

You can try to resist Try to hide from my kiss

But you know but you knowThat you can't fight the moonlight

Deep in the dark

You'll surrender your heart

But you know but you know

That you can't fight the moonlight, no

You can try to resist

Try to hide from my kiss

But you know but you know

That you can't fight the moonlight

Deep in the dark

You'll surrender your heart

But you know but you know

That you can't fight the moonlight

No, you can't fight it

You can try to resist

Try to hide from my kiss

But you know but you know

That you can't fight the moonlight

Deep in the dark

You'll surrender your heart

But you know but you know

That you can't fight the moonlight
