

All 4 Love

Color Me Badd

I'm so glad you're my girl
I'll do anything for you
call you every night
and give you flowers too I thank the lord for you
and think about you all the time
and ask him every day that you'll forever be mine (I wanna hold your hand)
to show you I'll be there (I like to do the things)
let you know I care
(I sing this lullaby) 'cause girl you fill me full
(I look into your eyes)
you're so beautiful Oh girl I think I love you
I'm always thinking of you
I want you to know
I do it all for love I love it when we're together
girl I need you forever
and I want you to know
I do it all for love I will never leave you sugar this I guarantee
I look into the future
I see you and me
Knight in shining armor
I will be your fairytale
I wanna take care of you girl I'll serve you well
(I will be there for you)
to catch you when you fall
(I'll hold you in my arms)
that's where you belong
(I sing this lullaby)
'cause girl you fill me full
(I look into your eyes)
you're so beautiful beautiful yea
Oh girl I think I love you
I'm always thinking of you
I want you to know
I do it all for love
I love it when we're together
girl I need you forever
and I want you to know
I do it all for love
Now come here sweetheart
I want you to know something alright
y'see everyday in my life without you
would be like a hundred years

the distance between us
the ocean of tears
see all the things I do for you
are for love - dig it
(All for loving) all for love
(all for you) you you you
(all for loving you you) you
Oh girl I think I love you
I'm always thinking of you
I want you to know
I do it all for love
I love it when we're together
girl I need you forever
I want you to know
I do it all for love
Oh girl I think I love you
I'm always thinking of you
I want you to know
I do it all for love
I love it when we're together
(when we're together)
girl I need you forever
and I want you to know
I do it all for love
Oh girl I think I love you
I'm always thinking of you
all for love
I love it when we're together
girl I need you forever
