

Seeing Red

Alpine

Do you think I need more love?
Do you think I need more love?
Do you feel the night is young?
Do you feel the night is young? Said I'm
Seeing red again
Again, again, said I'm
Seeing red again
Again, again
Do I hold onto this space?
Do I hold onto this space?
Am I waiting far too long?
Am I waiting far too long? Said I'm
Seeing red again
Again, again, said I'm
Seeing red again
Again, again, said I'm
Seeing red again
Again, again Again, again
Seeing
Seeing Seeing
Seeing red again...
