## Slipknot

Pissed! I only want to feint, commit the rape  
Do we get a little taste as unique?  
The libertine,  
Know what I mean?  
Hiroshima on a Sunday You had a gift, you were a gift  
But there's always a goddamn catch  
Blessing and a curse, you made it work  
The universe seems so much smaller Legend!  
Bastard!  
Best friend!  
Why?  
Why do the limits have to realign  
Hero!  
Martyr!  
Mystery!  
God - he was the best of us  
The world will never see another crazy motherfucker like you  
The world will never know another man as amazing as you Never be the same, I want the blame  
To be assigned to the guiltiest one  
It can't be done, because the son  
Was the victim they arrested  
I'm so fucking pissed at all of this  
You gotta know that you are sorely missed  
Miracles are real  
They help you heal  
They make you feel  
Like things will get better Father, brother, scapegoat, why?  
Why did we only skip this time?  
Fighter, icon, Skeptic  
God - stop taking the best of us  
I won't let you disappear  
I will keep your soul alive if I can't have you here  
History may have its share of lunatics and stars  
But the world will never see another crazy motherfucker like you  
The world will never know another man as amazing as you  
The world will never see another crazy motherfucker like you  
The world will never know another man as amazing as you Skeptic  
Skeptic  
Skeptic  
Skeptic  
Skeptic  
Skeptic Where am I supposed to begin?

I'm killing for the karma again  
Feed the meat to ripping machine  
Believing is the way to be seen God - are we alone?  
God - are we alone?  
God - are we alone?  
God - we're not alone I can't let you disappear  
I will keep your soul alive if I can't have you here  
We were meant to be the kings  
Rule the masses, run the risk  
And keep our systems clean  
History may have its share of lunatics and stars...  
But the world will never see another crazy motherfucker like you  
The world will never know another man as amazing as you  
The world will never see another crazy motherfucker like you  
The world will never know another man as amazing as you The world will never see  
(will never see)  
Another crazy motherfucker like you  
(like you)  
Like you  
(like you)  
Like you
