

White Winter Hymnal

Pentatonix

I was following the
I was following the
I was following the
I was following the
I was following the
I was following the
I was following the
I was following the
I was following the I was following the pack
All swallowed in their coats
With scarves of red tied round their throats To keep their little heads
From falling in the snow
And I turned round and there you go
And, Michael, you would fall
And turn the white snow red as strawberries
In the summertime I was following the pack
All swallowed in their coats
With scarves of red tied round their throats To keep their little heads
From falling in the snow
And I turned round and there you go And, Michael, you would fall
And turn the white snow red as strawberries
In the summertime I was following the pack
All swallowed in their coats
With scarves of red tied round their throats
To keep their little heads
From falling in the snow
And I turned round and there you go And, Michael, you would fall
And turn the white snow red as strawberries
In the summertime
