

# I'll Never Love Again

Taio Cruz

I Was Wrong To Let You Walk Right Out Of My Life  
I Was Dumb To Think That I Could Survive  
Was A Fool To Think The Grass Was Greener  
On The Other Side, Now It Hurts To Know That  
He Means That I, I'll Never Love Again Never, Never (I'll Never Love Again)  
Never, Never (I'll Never Love Again)  
Never, Never (I'll Never Love Again)  
Never, Never Hey, Hey...I'll Never Find Nobody Who Can Love Me Like You Do  
I'll Never Find Nobody To Treat Me The Way You Do  
I'll Never Find Nobody Else (Babe) Hey I'll Never Fall In Love Again Ay...  
I Was Stupid To Think That Any Love Could Compare  
To The Love That You Gave To Me From You...  
Was A Fool, Yes A Fool To Think That I'd Find Anywhere  
Anyone That's Better For Me Than You...  
Never, Never (I'll Never Love Again) Never, Never (I'll Never Love Again)  
Never, Never (I'll Never Love Again)  
Never, Never Hey, Hey...I'll Never Find Nobody Who Can Love Me Like You Do  
I'll Never Find Nobody To Treat Me The Way You Do  
I'll Never Find Nobody Else (Babe) Hey I'll Never Fall In Love Again Ay...And Now My Heart  
Is Stone Cold Because You've Gone, Gone Away (Away) Gone Away (Away) And Now My  
Heart Is Stone Cold Because You've Gone, Gone Away (Away) Gone Away (Away)  
And Now My Heart Is Stone Cold Because You've Gone, Gone Away (Away) Gone Away  
(Away)  
And Now My Heart Is Stone Cold Because You've Gone, Gone Away (Away) Gone Away  
(Away)  
Gone Away Gone Away, Gone Away, Gone Away, Gone Away...I'll Never Love Again  
Never, Never (I'll Never Love Again)  
Never, Never (I'll Never Love Again)  
Never, Never (I'll Never Love Again)  
Never, Never Hey, Hey...  
I'll Never Find Nobody Who Can Love Me Like You Do  
I'll Never Find Nobody To Treat Me The Way You Do  
I'll Never Find Nobody Else (Babe) Hey I'll Never Fall In Love Again Ay...  
I'll Never Find Nobody Who Can Love Me Like You Do  
I'll Never Find Nobody To Treat Me The Way You Do  
I'll Never Find Nobody Else (Babe) Hey I'll Never Fall In Love Again Ay...
