

When We Were Young

Brett Dennen

Remember when we were young
We felt like the luckiest ones
Nothing to worry about
The whole world was a hand-me-down It's hard to be different
It's even harder when you wanna fit in
High school was a catastrophe
It was a failure factory Turn it up, turn it up
Turn up your radio loud
Don't forget where you come from
It's too soon to be proud Remember when
We... were... young
Remember when
We... were... young
Remember when we were broke
Money would come and go
The whole world is a hand-me-down
So you gotta where it proud Whenever I reminisce
I know that the greatest risk
Is giving up the fun for pay
I don't want to live that way Oh tear it up, tear it up
Tear up that page
I don't wanna grow up
I don't wanna act my age Remember when, we were young Turn it up, turn it up
Turn up your radio loud
Don't forget where you come from
It's too soon to be proud
Remember when, we were young Remember when, we were young Ohhhhhh
Ohhhhh oh oh ohhhhh-oh
Oh oh oh oh oooohhh
Oh oh oh oh oh
Oh oh oh oh ohhhhh Ohhhhhh
Ohhhhh oh oh ohhhhh-oh
Oh oh oh oh oooohhh
Oh oh oh oh oh
Oh oh oh oh ohhhhh How will I know if I don't ask why
I won't let it pass me by
I see my life in a faded sky
Slippin away, ayyyyy ayyyyyy Tear it up, tear it up
Tear out that page
I don't wanna grow up
Don't wanna act my age Remember when, we were young Turn it up, turn it up
Turn up your radio loud

Don't forget where you come from
It's too soon to be proud Remember when, we were young Remember when, we were young
