

Take a Chance On Me

Erasure

If you change your mind
I'm the first in line
Honey I'm still free
Take a chance on me
If you need me, let me know
And I'll be around
If you got no place to go
When you're feeling down
If you're all alone
When the pretty birds had flown
Honey I'm still free
Take a chance on me
Gonna do my very best
To there ain't no lie
If you put me to the test
You could let me try
Take a chance on my
(come on, give me a brake, would you?)
Take a chance on me
Oooh! we can go dancing,
We can go walking,
As long as we are together
Listen to some music
Or maybe just talking
Get to know you better
'Cause you know I've got
So much that I wanna do
When I dream I'm alone with you
It's magic
You wanted to leave me there
Afraid of a love affair
But if you know...
But I can let go
If you change your mind
I'm the first in line
Honey I'm still free
Take a chance on me
If you need me, let me know
And i'll be around
If you got no place to go
When you're feeling down
(take a chance, take a chance, take a chance on me)

If you're all alone
When the pretty birds had flown
Honey I'm still free
Take a chance on me
Gonna do my very best
To there ain't no lie
If you put me to the test
You could let me try
Take a chance on me
(it's alright, alright honey)
Take a chance on me
Oooh! you could take your time baby
I'm in no hurry
I know I'm gonna get you
You don't wanna hurt me
Baby don't worry
I ain't gonna let you
Let me tell you now
My love is strong enough
To last when things are rough this magic
You said that I waste my time
But I can't get you out of my mind
No I can't let go...
Cause I love you so...
Hopping in...
If you like what you're seeing take a chance with me, ya!
You won't be grabbed, if you're feeling horny.
Well, you've passes so you got to know this precious property.
I don't know the lads, so call me MC K.
Nobody sits, understand me clearly.
However hard he try, could he never own me.
We all fit nice and just move freely.
Special K, what he says all said carefully.
Me not sit all along and just wait by phone.
Not call me 'cause me never, never home ya.
Machinegun as we get the wrong one.
Master Mark, master Paul, mister Luke and John,
if we like what we see we chance a situation.
Nothing don't pay nothing, maybe see what follow on.
What a jill may do if the right man come?
Hey reggae boat, come we just have a little fun!
Go now!
Pabbabbabba ba,
Pabbabbabbabba ba ba
Honey I'm still free
Take a chance on me
Gonna do my very best
To there ain't no lie
If you put me to the test

You could let me try
(Take a chance, take a chance, take a chance on me)
If you're all alone
When the pretty birds had flown
Honey I'm still free
Take a chance on me
Gonna do my very best
To there ain't no lie
If you put me to the test
If you let me try...
(Take a chance take a chance take a chance on me)
