

Bleed Red

Ronnie Dunn

Let's say we're sorry 'fore it's too late
Give forgiveness a chance
Turn the anger into water
Let it slip through our hands We all bleed red we all taste rain
All fall down loose our way
We all say words we regret
We all cry tears we all bleed red If we're fighting we're both losing
We're just wasting our time
Because my scars they are your scars
And your world is mine
You and I
We all bleed red we all taste rain
All fall down loose our way
We all say words we regret
We all cry tears all bleed red Sometimes we're strong sometimes we're weak
Sometimes we're hurt and it cuts deep
We live this life breath to breath
We're all the same we all bleed red Let's say we're sorry 'fore it's too late We all bleed red we all
taste rain
All fall down loose our way
We all say words we regret
We all cry tears we all bleed red
Sometimes we're strong sometimes we're weak
Sometimes we're hurt and it cuts deep
We live this life breath to breath
We're all the same we all bleed red
