

# Games People Play

## Inner Circle

Na na na na na na na na  
Na na na na na na na na  
Talkin' 'bout you and me, yeah and the games people play  
Na na na na na na na na  
Na na na na na na na na  
Talkin' 'bout you and me, yeah and the games people play Oh the games people play now every  
night and every day now  
Never meaning what they say, yeah never saying what they mean  
First you whine away your hours in your concrete towers  
Soon you'll be covered up with flowers in the back of a black limousine People walking up to  
you singing glory Hallelujah  
Then thy try to sock it to you, oh in the name of the Lord  
Na na na na na na na na  
Na na na na na na na na  
Talkin' 'bout you and me, yeah and the games people play  
Na na na na na na na na  
Na na na na na na na na  
Talkin' 'bout you and me, yeah and the games people play Oh the games people play now every  
night and every day now  
Never meaning what they say, yeah never saying what they mean  
And they teach you how to meditate read up your horoscope  
And change your faith and further more to hell with hate  
Come on and give me some more, and more, and more Na na na, na na na, na na  
Na na na na na na na na  
Talkin' 'bout you and me, yeah and the games people play  
Na na na, na na na, na na  
Na na na, na na na, na na  
Talkin' 'bout you and me, yeah and the games people play  
First you're giving up your sanity turn your back on humanity, yeah  
And you don't give a damn, a damn, a damn Na na na, na na na, na na  
Na na na, na na na, na na  
Talkin' 'bout you and me, yeah and the games people play  
Talkin' 'bout you and me, I'm talkin' 'bout you and me  
Talkin' 'bout you and me, yeah and the games people play Talkin' 'bout you and me, yeah and  
the games people play  
Oh, talkin' 'bout you and me, yeah and the games people play
