

Sweet Lady

Tyrese

Ohhhhhh
Can you babe
Be my sweet lady
I want you to be my lady Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and recieve me Now any other day I would play it cool
But I can't now cause I want you
You see I'm hooked on how you flex your style
And I wanna talk for a little while
I've never really seen your type
But I must admit that I kinda like
So maybe if you have the time we can talk about
You being mine baby
Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and recieve me
Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and recieve me Now on the way you look
I won't waste time
But I dont want to 'cause your so damn fine
And I heard that you were taken
That don't have to stop you from making
Late night phone calls on the telephone
Bout' your fantasies
How to get it on
When you need me I will be there for you my sweet lady
Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and recieve me
Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and recieve me Say you will be my baby
Say you will be my lady
I've got to have all your love
I won't front (no woo) Just say you will give it to me
Don't wanna hear the maybe's
and I will give you all my love
If you say you'll be mine today Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and recieve me
Sweet lady would you be my sweet love for a lifetime?

I'll be there when you need me
Just call and receive me
Sweet lady would you be my sweet love for a lifetime?
I'll be there when you need me
Just call and receive me
Call me babe, receive me babe, would be my, be my sweet love
Lover for a lifetime
