

Cudi the Kid (feat. Kid Cudi & Travis Barker)

Steve Aoki

Let the good times roll in
Yeah, we let the good times roll in
Yeah, we let the good times roll in
Whoa, yeah, yeah
We let the good times roll in
We let the good times roll in
Yeah, we let the good times roll in
Whoa, yeah, yeah
We let the good times roll in When I was a youngin'
Couldn't wait to get big
All in all, I stayed on my job
And you can call me Cudi the Kid When I was a youngin'
Couldn't wait to get big
All in all, I stayed on my job
And you can call me Cudi the Kid
Can stop, but don't stop
Can stop, but don't, don't
Can stop, but won't stop
Can stop, but won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, but don't stop Clap, clap, clap
Drinking, drinking
Smoking, smoking
That's my daily routine after rocking shows and low-scoping
Focused on the wrong things like the ghosts out of your dreams
And it really truly seems that this is supposed to happen, man
If this were to happen then I'd probably still achieve what I dreamed of even if I'm leaned up,
I'm high up
All the damn kids that are listening to Gucci, man...
... Let the good times roll
When I was youngin'
Couldn't wait to get big
All in all, I stayed on my job
And you can call me Cudi the Kid When I was youngin'
Couldn't wait to get big
All in all, I stayed on my job
And you can call me Cudi the Kid Can stop, but don't stop
Can stop, but don't, don't
Can stop, but won't stop

Can stop, but won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, but don't stop
