

# Boom Boom (Vice Remix)

RedOne, Daddy Yankee, French Montana & Dinah Jane

Baby, you here tonight  
¡Dímelo, mundo!  
Montana, RedOne, Morocco, DY, (Dinah Jane)  
Boom, boom, boom, boom, boom, boom (Montana)  
Mueve el boom, boom, boom, boom  
Zumba el boom, boom, boom, boom  
Dame el boom, boom, boom, boom, yeah Quiero ver que te pongas, más prendia' que una bonga  
Dale movimiento a esa conga  
Los millones los saco, nos vamos de pena a Morocco  
Les enseño que el party don't stop  
Soy el fuego que te da calor (ye-oh)  
Cura un enfermo de amor (ye-oh)  
Wine up your body, go, go ma' y no pares  
Pa' que pases el time of your life  
Soy el fuego que te da calor (ye-oh)  
Cura un enfermo de amor (ye-oh)  
Wine up your body, go, go ma' y no pares  
Pa' que pases el time of your life, eh Baby, you here tonight  
On the spotlight, you'll be alright  
Turn this club, take it way high  
And I promise that with me  
Girl, you'll have the time of your life  
¡Fuego!  
¡Dímelo, mundo!  
Boom, boom, boom, boom, boom, boom

And shawty said she's coming with me
