

# I Adore Mi Amor

## Color Me Badd

Dream on dream away  
I think I'm gonna have to stay stay forever  
I adore (I adore) mi amor (yea hey)  
I adore mi amor  
You want to take her place  
you say you'd treat me better better I know for sure  
you see she loves me and I could never leave her  
(never baby) ooh yea  
Chica tu eres mi vida la tenuta y alegria amore  
y este sueno contigo sera verda yea yea  
Dream on dream away  
I think I'm gonna have to stay stay forever  
I adore mi amor I adore mi amor... listen  
My love the girl of my dreams and I will never leave  
she's all that I need and more I love her  
always what more could a man ask for  
(what more could I ask for)  
You know that I really love my baby  
she can give me everything I need  
there is no one to take her place  
she's got my heart in her hands baby I adore  
Dream on dream away  
I think I'm gonna have to stay stay forever  
I adore (I adore) mi amor (yea yea) I adore mi amor  
Ooh mi amore  
es porti que vo vivo y porti suspiro  
no solo hoy solo hoy si no siempre  
tu estrella brilla siempre enmi  
y este sueno contigo sera realidad  
te quiero mucho baby te quiero mucho mi amor  
You know I love you you know I need you girl  
I know that I really love my baby she can give me everything I need  
and there will never be a woman that could ever take her place  
she's got my heart in her hands  
oh you're the one that I adore I love you forever more yea  
you're the one that I wanna see I want you to be with me
