

# Queen

## Loren Gray

Cross my heart and I hope to die  
I don't need another guy  
To fight my battles  
To overshadow me Don't you know I'm dangerous?  
Fire burning in my blood  
I got this handled  
I don't need rescuing You can call me a princess all your life  
'Cause you learned to keep me helpless by your side  
But that ain't what I want, I'ma show you  
I'ma show you  
How to treat me like a queen  
(Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah, yeah)  
Boy, you better bow down on your knees  
Can I get a yes, your majesty?  
So treat me like a queen  
(Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah, yeah)  
Boy, you better bow down on your knees  
Can I get a yes, your majesty? Eyes on me like I'm a prize  
But you better recognize  
I'm not your angel  
'Cause I belong to me  
How to treat me like a queen  
(Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah, yeah)  
Boy, you better bow down on your knees  
Can I get a yes, your majesty?  
So treat me like a queen (Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah, yeah)  
Boy, you better bow down on your knees  
Can I get a yes, your majesty? You can call me a princess all your life  
'Cause you learned to keep me helpless by your side  
But that ain't what I want, I'ma show you  
(You-you-you-you..)  
How to treat me like a queen  
(Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah, yeah)  
Boy, you better bow down on your knees  
Can I get a yes, your majesty?  
So treat me like a queen  
(Yeah, yeah, yeah, yeah)

(Yeah, yeah, yeah, yeah, yeah)  
Boy, you better bow down on your knees  
Can I get a yes, your majesty?
