

# Sad Statue

## System Of A Down

Conquest to the lover And your love to the fire  
Permanence unfolding in the absolute  
Forgiveness is the ultimate sacrifice  
Eloquence belongs to the conqueror  
The pictures of time and space are rearranged In this little piece of typical tragedy  
Justified candy, Brandy for the nerves  
Eloquence belongs to the conqueror  
You and me  
We'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
You and me  
We'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
I forgot to  
I forgot to let you know that Justified candy, Brandy for the nerves  
Eloquence belongs to the conqueror Conquest to the lover And your love to the fire  
Permanence unfolding in the absolute  
Forgiveness is the ultimate sacrifice Eloquence belongs to the conqueror  
You and me  
We'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
You and me  
We'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
Generation  
What is in us that turns a deaf ear to the cries of human suffering  
Suffering, suffering now  
You and me  
We'll all go down in history With a sad Statue of Liberty  
And a generation that didn't agree  
You and me  
We'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
Generation  
Belonging  
Belonging to
