

# Have Some Love

## Childish Gambino

Have a word for your brother  
Have some time for one another  
Really love one another  
It's so hard to find  
Have a word for your brother  
Have some time for one another  
Really love one another  
It's so hard to find  
You got the power, you got the power  
Of every hour, of every hour  
I come to getcha and I know where you are  
I come to getcha and I know where you are  
It's getting hot, it's like a sauna  
Then every night, in Arizona  
They come to getcha when they grope in your mind  
They think you creepy, getting down in your mind  
Come to getcha, come to getcha  
It doesn't matter, you making magic  
I got the business to make a mind  
I got the business to make a mind  
And if you feel it, if you feel in your toes  
And you do nothing like nobody knows  
But if you want it, you better want it  
Have a word for your brother  
Have some time for one another  
Really love one another  
It's so hard to find  
Have a word for your brother  
Have some time for one another  
Really love one another  
It's so hard to find, have a word  
Come on baby, oh  
Darling no, no, no, no, no, no, no  
That's right baby, that's right  
I see wherever, wherever, wherever you are  
(Wherever, wherever, wherever you are)  
I see wherever, wherever, wherever you are  
(Wherever, wherever, wherever you are)  
Wherever, wherever, wherever you are  
(Wherever, wherever, wherever you are)  
Do no wrong now  
That's right baby  
There's a big wide world out there, I need to get in  
We have got to bring this thing together

And I hoping I pray, we will find it someday  
We have to got to really stay together, soHave a word for your brother  
Have some time for one another  
Really love one another  
It's so hard to find  
Have a word for your brother  
Have some time for one another  
Really love one another  
It's so hard to find
