

# Talk (feat. George Maple)

DJ Snake

Touch of your skin  
Blurring my vision  
Seeing the same film again  
Closer you pull me  
Under the table  
Sign of how this might end  
But if you don't want to hold me  
Maybe I can change your mind  
'Cause I'm waitin', hesitatin'  
And it's other ways to leave it  
But I've only asked for you  
As you move your body next to me  
There's so much more to loose  
When you talk, talk  
All you wanna do is talk, talk  
All I wanted was, all I wanted was  
All I wanted was your reckless heart  
Touch of your skin  
Blurring my vision  
Seeing the same film again  
Closer you pull me  
Under the table  
Sign of how this might end  
But if you don't want to hold me  
Maybe I can change your mind  
'Cause I'm waitin', hesitatin'  
And it's other ways to leave it  
But I've only asked for you  
As you move your body next to me  
There's so much more to loose  
When you talk, talk  
All you wanna do is talk, talk  
All I wanted was, all I wanted was  
All I wanted was your reckless heart  
When you talk, talk  
All you wanna do is talk, talk  
All I wanted was, all I wanted was  
All I wanted was your reckless heart  
(Talk, talk)  
(Talk, talk)  
(Talk, talk...)
