But every time I take off my fucking underpantsSome girls start crying, some girlies run away

Just relax yourself baby, it's gonna be okay  
It's not my fault, I was born this way

This big motherfuckin' dick is what's up  
Brave girls always got a lot of love  
For my raging zef boner

Next day little betty getting on a plane

Straight import a bitch, all expenses paid  
What motherfucker? On the mic I'm hype  
Little rattie got a pussy and it's tight, tight, tight  
Raw dog with a big fat African dick  
I drag it out slow, then I stab it in quick  
Oh, fuck you, fucking fuck  
Don't you like the raw shit, bitch?  
You know my motto: If it doesn't fit, force it  
Oh shit, shit, shit  
Fuck, I'm gonna cum  
Yum, looking at da cum dripping out ya bum  
Some girls start crying, some girlies run away  
I'm like 'huh, what the fuck? man, okay'  
Just relax yourself baby, it's gonna be okay  
It's not my fault, I was born this way  
I'm a African, come on girl, you know what's up  
This big motherfuckin' dick is what's up  
Brave girls always got a lot of love  
For my raging zef boner Fuck her like a ninja
