

# Give It 2 U (feat. Kendrick Lamar)

Robin Thicke

Girl give it to me  
Girl you know what it do, girl give it to me  
I got somethin' brand new, girl give it to me  
I'll put it all on you, girl give it to me  
Wooh, I got a gift for yah  
I got this for yah, a little Thicke for yah  
A big kiss for yah, I got a hit for yah  
Big for yah, let me give it to yah  
Baby, baby I gotta call for yah  
I got a whip for you, black car for yah  
Ball hard for you, I know you wanna get fancy  
I know you wanna start dancin'  
Hey girl  
You know you're lookin' so damn fine  
You're lookin' like you fell from the sky  
You know you make a grown man cry I wanna give it to you, through the night  
And make everything you fantasize  
Come true, ooh baby  
I'll make you so, so, so amazing  
I'll give it to you Girl give it to me  
Girl give it to me  
Girl give it to me  
Girl give it to me  
Ooh what's that girl?  
What's that baby? I like that, girl  
I like that, baby, on your back girl  
On your back, yeah shake it like that girl  
Baby, baby, I got an eye for yah  
I got an eye for yah, I got a smile for yah  
Cheese, let me put it on your face for you  
Please, I got a taste for you  
Tasty, I bought lace for you  
Freaky, I'll put it on you (Yeah)  
So I can come and take it off you (Yeah)  
And get it off to you Hey girl  
You know you're lookin' so damn fine  
You're lookin' like you fell from the sky  
You know you make a grown man cry I wanna give it to you, through the night  
And make everything you fantasize  
Come true, ooh baby  
I'll make you so, so, so amazing  
I'll give it to you You're like a needle in a haystack

I wanna sit you where my face at  
Lunch with a few Mai-Tais  
Purple kisses on my tie  
Life can leave a dick loved  
Now you gettin' this dick, love  
I'm lookin' for you with a flashlight  
I wanna feel what a real fat ass like  
No injection, I learned my lesson  
I walk it like I talk it, baby this pedestrian  
Runnin' through your mind like Jackie Joyner  
Pussy like "pop," go give me a burner  
Got shot like "pop"  
This can be detrimental  
T-shirt and panties, that's your credential  
You're cotton candy, I need a fistful  
I'm often antsy, hope that convince youHey girl  
You know you're lookin' so damn fine  
You're lookin' like you fell from the sky  
You know you make a grown man cryI wanna give it to you, through the night  
And make everything you fantasize  
Come true, ooh baby  
I'll make you so, so, so amazing  
I'll give it to you  
I wanna give it to you, through the night  
And make everything you fantasize  
Come true, ooh baby  
I'll make you so, so, so amazing  
I'll give it to you
