

# All You Had To Do Was Stay

Taylor Swift

People like you always want back the love they gave away  
And people like me wanna believe you when you say you've changed  
The more I think about it  
now

The less I know  
All I know is that you drove us off the road  
Stay Hey, all you had to do was stay  
Had me in the palm of your hand  
Then, why'd you have to go and lock me out when I let you in?  
Stay Hey, now you say you want it back

Now it's just too late  
Well, it could've been easy  
All you had to do was stay  
All you had to do was stay  
All you had to do was stay  
All you had to do was stay  
All you had to do was stay  
Here you are now

Calling me up  
But I don't know what to say  
I've been picking up the pieces of the mess you made  
People like you always want back the love they pushed aside  
But people like me are gone  
forever

When you say goodbye  
Stay  
Hey, all you had to do was stay  
Had me in the palm of your hand  
Then, why'd you have to go and lock me out when I let you in?  
Stay

Hey, now you say you want it back  
Now it's just too late  
Well, it could've been easy  
All you had to do was stay  
All you had to do was stay  
All you had to do was stay  
All you had to do was stay  
Let me remind you this was what you wanted  
You ended it  
You were all I wanted

But not like this  
Not like this  
Not like this  
Oh  
All you had to do was stay  
Hey, all you had to do was stay  
Had me in the palm of your hand  
Then, why'd you have to go and lock me out when I let you in?

StayHey, now you say you want it back  
Now it's just too lateWell, could've been easy  
All you had to do was stay  
Hey, all you had to do was stay  
Had me in the palm of your hand  
Then, why'd you have to go and lock me out when I let you in?

Stay

Hey, now you say you want it back

Now it's just too late

Well, could've been easy

All you had to do was stay

All you had to do was stay

All you had to do was stay

All you had to do was stay

All you had to do was stay
