

Synchronicity I

The Police

With one breath, with one flow
You will know
Synchronicity
A sleep trance, a dream dance,
A shared romance
Synchronicity A connecting principle
Linked to the invisible
Almost imperceptible
Something inexpressible
Science insusceptible
Logic so inflexible
Causally connectible
Yet nothing is invincible
If we share this nightmare
Then we can dream
Spiritus mundi
If you act as you think
The missing link
Synchronicity We know you, they know me
Extrasensory
Synchronicity
A star fall, a phone call
It joins all
Synchronicity
It's so deep, it's so wide
You're inside
Synchronicity
Effect without a cause
Sub-atomic laws, scientific pause
Synchronicity...
