(lloyd:)
yeah(Verse 1:)
ooh yeah
i can remember when i met you
you had
all of my homies talkin bout you
and i
thought itd be cool if i got at you
so we can spend a lil time
i can get to know you, tell me ya name
im beginnin to see
the more we hang together.
babygirl i like you
cuz your better
than any average chick
that i was rollin wit
i knew it was love at first sight
(Hook:)
I never met a girl like you before
I can count on you
whenever i need to take it slow
and you be taking me up up and away we go
ya got my eyes so low
and they damn near closed(Chorus:)
and ey Hazel
i like you
can't see myself without you,
my sweet hazel
cuz i think im in love (im in love)

(Verse 2:)
There be times people be tellin me
to let ya go
but tha bond i got witchu

and just to prove it to ya girl

and scrape tha guts out a dutch
its like tha things you say
to me when im feelin hurt
ya pick me up when i go thru it
thats why i put you first
when everybody be one me constantly stressin

to ease mah nerves(Hook:)
and I never met a girl like you before
I can count on you
whenever i need to take it slow
