

Woman

Harry Styles

Should we just search romantic comedies on Netflix and see what we find? I'm selfish, I know
But I don't ever want to see you with him
I'm selfish, I know
I told you, but I know you never listen I hope you can see, the shape that I'm in
While he's touching your skin
He's right where I should, where I should be
But you're making me bleed
Woman

Woman
Woman (La La La La La)
W-Woman
Woman Tempted, you know
Apologies are never gonna fix this
I'm empty, I know
And promises are broken like a stitch is I hope you can see, the shape I've been in
While he's touching your skin
This thing upon me, howls like a beast
You flower, you feast
Woman

Woman
Woman (La La La La La)
W-Woman
Woman Woman!
