

# You Can't Bring Me Down

Dierks Bentley

You can try to wrap your words like rocks around my ankles  
And push me off a bridge in hope that I might drown  
Any cheap shots that you got, yeah, I can handle  
You don't get this far without knowing how to get up off the ground So I turn up a cold one, and  
I turn up the volume  
Unlaugh, unlove, on the way I feel right now  
Yeah, I learned how to let go, and how to take the high road  
I'm on another level, you can't bring me down  
Na na na na na na  
Na na na na na na  
Na na na na na na  
I'll be the first to say I've made some bad decisions  
I been a little quick to call the kettle black  
But it's true what they say about forgiveness  
And once you find a man, there ain't nothing that can hold you back So I turn up a cold one, and  
I turn up the volume  
Unlaugh, unlove, on the way I feel right now  
Yeah, I learned how to let go, and how to take the high road  
I'm on another level, you can't bring me down  
Na na na na na na  
Na na na na na na  
Na na na na na na  
Na na na na na na, yeah There ain't nothing like the way my baby holds me  
There ain't nothing like this sweet piece that I've found  
It takes off all the shackles, so save yourself the battle  
Yeah, ha, you can't bring me down  
So I turn up a cold one, and I turn up the volume  
Unlaugh, unlove, on the way I feel right now  
Yeah, I learned how to let go, and how to take the high road  
I'm on another level, you can't bring me down  
Yeah, I learned how to let go, and how to take the high road  
I'm on another level, no, you can't bring me down  
Na na na na na na  
Na na na na na na, ha  
Na na na na na na  
Na na na na na na, yeah Aw, turn it up
