

LUV

Janet Jackson

I've been down this road before
I know it very well
And I just can't believe
I've been struck I didn't see it
(Comin')
I was
(Blindfolded)
I'm caught up in
(Collision)
And now I'm so done You crept up like a spider
I got caught in your web
There was no way to escape
I tried to switch
(My lanes)
But then I hit
(My brakes)
Sparks turned into
(Flames)
I shoulda stopped
At the red light 'cause Now I'm like a deer
Caught in headlights
Ugh, he hit me with his luv
Luv, luv, luv, luv He hit me with his
(Luv)
And now I'm in luv
Luv, luv, luv Got me caught in a wreck
I'm a mess
Got me caught in a wreck
I'm a mess
Got me caught in a wreck
Somebody call the paramedics
(Luv)
He hit me with his luv
Luv, luv, luv I was creepin' up the road
Just knew I had control
So how did I end up gettin' hit?
I had on my
(Belt) I checked it
(Myself)
So how in the
(World)
Did I get caught? I had the right of way

I saw the sign you disobeyed
(It was your fault)
I can't believe the way You wrecked into my heart
I think I should sue ya
I shoulda stopped
At the red light 'cause Now I'm like a deer
Caught in headlights
Ugh, he hit me with his luv
Luv, luv, luv, luv He hit me with his
(Luv)
And now I'm in luv
Luv, luv, luv Got me caught in a wreck
I'm a mess
Got me caught in a wreck
I'm a mess Got me caught in a wreck
Somebody call the paramedics
(Luv)
He hit me with his luv
Luv, luv, luv You caught me by surprise
I can't believe
That I'm falling for this guy Somebody call the cops
'Cause I'm falling for that guy You caught me by surprise
I can't believe
That I'm falling for this guy Somebody call the cops
'Cause I'm falling for that guy
I shoulda stopped
At the red light 'cause Now I'm like a deer
Caught in headlights
Ugh, he hit me with his luv
Luv, luv, luv, luv He hit me with his
(Luv)
And now I'm in luv
Luv, luv, luv Got me caught in a wreck
I'm a mess
Got me caught in a wreck
I'm a mess Got me caught in a wreck
Somebody call the paramedics
(Luv)
He hit me with his luv He crashed into my heart
He crashed into my heart
Somebody call the paramedics
(Luv)
He hit me with his luv He crashed into my heart
He crashed into my heart
Somebody call the paramedics
(Luv)
He hit me with his luv
Luv, luv, luv, luv
