

Thief (feat. SAINTS)

TOKiMONSTA

You might be unaware that I've been waiting for
For you to realize that I can't give you more
We could just dance, don't have to wait
But you wanna be a little closer to my love So, we can be more than friends
I just want one more touch
Before I'm over touching your thighs again
'Cause we left this club in no rush
You call this love, you call my bluff I don't even wanna make it complicated
You don't want the drama
So, I don't need to call you up
God damn, lookin' fine, yeah
I know what you lookin' bad for
So, can I lay next to you?
Oh yeah
I wanna be with you but just for tonight
And I wanna get crazy so close your eyes
Gettin' off in your mind, we're just wastin' time
'Cause I just wanna love you
Yeah, yeah Oh yeah
Oh yeah Oh yeah
Oh yeah I'm gonna light it off, I want you right there with me
But are we close enough? Give it time, we'll see
'Cause if you let go you might feel something
Baby, believe me, you're completely wrapped in my love So, we can be more than friends
I just want one more touch
Before I'm over touching your thighs again
'Cause we left this club in no rush
You call this love, you call my bluff
At first you said you're lyin' but you love it, ma
Don't have any time with any others, nah
You just wanna be you
And that's exactly how it should be
Don't know with me
'Cause this ain't no ordinary love
Oh yeah I wanna be with you but just for tonight
And I wanna get crazy so close your eyes
Gettin' off in your mind, we're just wastin' time
'Cause I just wanna love you
Yeah, yeah Oh yeah
Oh yeah
