

# Saving Us

Serj Tankian

Why do we sit around and  
Break each others hearts tonight  
Why do we dance around  
The issues till the morning light  
When we sit and talk and  
Tear each others lives apart  
You were the one to tell me go  
But you were the one for me  
And now you're going through the door  
When you take that step  
I love you baby more and more  
We need to laugh and sing and cry  
And warm each others hearts tonight  
Observing the fun of everything  
And loving all of mother God  
Tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us, you're saving us  
You're tearing us, you're tearing us  
You're breaking us, breaking us  
You're killing us, killing us  
You're saving us  
Why do we sit around and  
Break each others hearts tonight  
Why do we dance around  
The issues till the morning light  
When we sit and talk and  
Tear each others lives apart  
You were the one to tell me go  
But you were the one for me  
And now you're going through the door  
When you take that step  
I love you baby more and more  
We need to laugh and sing and cry  
And warm each others hearts tonight  
Observing the fun of everything  
And loving all of mother God  
Tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us, you're saving us

You're tearing us, you're tearing us  
You're breaking us, breaking us  
You're killing us, killing us  
You're saving us  
Forever alive, forever alive, forever, forever  
Forever alive, forever alive, forever  
Never and ever again  
You're tearing us, you're tearing us  
You're breaking us, you're breaking us  
You're killing us, killing us  
You're saving us, you're saving us  
You're tearing us, you're tearing us  
You're breaking us, breaking us  
You're killing us, killing us  
You're saving us  
Forever alive, forever alive, forever, forever  
Forever alive, forever alive, forever  
Never and ever again
